Freezing Point	°F As sold	ASTM D1177	-34

These characteristics are typical of current production.

## Health, Safety & Environment

### • Health and Safety

This product is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

Guidance on Health and Safety is available on the appropriate Safety Data Sheet, which can be obtained from your local representative.

### • Protect the Environment

Take used oil to an authorised collection point. Do not discharge into drains, soil or water.
